SCLC · HYDE LEADERSHIP DAY · HOST GUIDE

# Community Action Game

Teams get a real community problem, a small budget, and just five minutes. Then a twist hits. They pitch the best plan they can.

### The goal

Pitch a plan that helps the school and community in the most **impactful** and **efficient** way possible.

### You need

- Teams of 5 people
- Scenario cards (face down)
- Twist cards (judges keep these)
- Timer, paper, markers, scorecards
- Prizes: stickers and candy

## HOW A ROUND WORKS

**0:00**
Each team draws a scenario card and starts planning.

**3:00**
The judges hand out the matching **twist card**. The plan has to change!

**5:00**
Planning ends. Each team gets **2 minutes** to pitch.

**Then**
Judges score. Winner gets a prize.

Pitches can be a skit, an ad, a debate, or anything creative, as long as it explains how the team would solve the problem.

## JUDGES SCORE EACH TEAM ON

### Impactful
Will it really help the school and community?

### Efficient
Does it use the budget and time well?

### Creative (bonus!)
Bonus points for pitches that are fun and original.

Judges: Elizabeth and Harper. Use the scorecard on the last page.

## DEBRIEF: TALK ABOUT THE LEADERSHIP SKILLS YOU USED

### The four skills

- **Problem solving**: how did you handle the twist?
- **Creativity**: what was your boldest idea?
- **Teamwork**: who took which job?
- **Communication**: how did you share the plan?

### Ask the room

- What did your team do first when the twist hit?
- Which skill helped most?
- Where could you use this at school?

This is how an SCLC meeting works too: real problems, small budgets, and a team.
